

Scientific report evaluation acknowledgement

Project "....."

Principal Investigator:

Period

The undersigned

1. _____,
2. _____,
3. _____,

- Having seen the Rectoral Decree. n./2024 of....., which established the Technical Scientific Committee (CTS) of the University responsible for evaluating the technical-scientific reports of the PRIN 2022 and PRIN 2022 PNRR projects, financed respectively under the D.D. n. 104 of 02/02/2022 and on the D.D. n. 1409 of 09/14/2022 specifically for the evaluation of the technical-scientific report of the project

Project PRIN 2022 (M4 C2. Investment 1.1.)	
Call for proposal	PRIN 2022 - D.D. n. 104 of 02/02/2022
Project Title	
MUR code	
CUP	
PI	
Period	From to

or

Project PRIN 2022 PNRR (M4 C2. Investment 1.1.)	
Call for proposal	PRIN 2022 PNRR - D.D. n. 1409 of 14/09/2022
Project Title	
MUR code	
CUP	
PI	
Period	Dal al

Having seen Annex 4 related to the management and reporting guidelines of the PRIN 2022 and PRIN 2022 PNRR projects (prot. no. 148 of 02/08/2024) concerning the "Check-list for verifying physical progress";

As members of the Scientific Technical Committee responsible for evaluating the technical-scientific report of the project indicated above,

CERTIFY

With reference to the technical-scientific report presented by the PI in relation to the following project

Project PRIN 2022 (M4 C2. Investment 1.1.)	
Call for proposal	PRIN 2022 - D.D. n. 104 of 02/02/2022
Project Title	
MUR code	
CUP	
PI	
Period	Dal al

or

Project PRIN 2022 PNRR (M4 C2. Investment 1.1.)	
Call for proposal	PRIN 2022 PNRR - D.D. n. 1409 of 14/09/2022
Project Title	
MUR code	
CUP	
PI	
Period	From to

1. the concrete achievement of the milestones and targets associated with the project for the period being evaluated:

- YES
- NO

2. the respect of the DNSH and environmental principles:

- YES
- NO

3. the target achievement in relations to the expected schedule:

- YES
- NO. However, evidence was provided to justify that the delay does not compromise the achievement of the project Milestones and Targets
- NO

4. the economic variations consistency applied when modifying the time schedule with respect to the project targets

- YES
- NO

- no economic variations

5. any recommendations to safeguard the targets and milestones achievement linked with the project:

Any observations and/or recommendations:

(mandatory field to be filled in in case of a negative response to points 1-4)
